Baseball 4 Life...

Our baseball camps, like all of our activities at Diamond Dreams, focus on the Baseball 4 Life mission. This means that we will emphasize proper baseball skills along with nutrition, conditioning, and a sound mental approach. Our camps also encourage team-like participation that foster a supportive environment for all players.

Schedule...

All camps will run from 9-1 pm. We will have water breaks throughout the morning as well as a snack/lunch break around 12 noon. Campers are encouraged to bring water and snacks. We will supply water and have both Gatorade and snacks for sale.

Rain date...

Each camp, except for the indoor camps, has Friday reserved as a rain date. In extreme situations we will also use Diamond Dreams as a backup for inclement weather.

Fun...

To make sure each camper has a great time we play a game almost every day. We also have skills competitions and our player/coach homerun derby!

Safety...

Safety is our first priority. If your son has any allergies or other important medical information please be sure to make a note of it on the registration form. We take every precaution to make sure every player has a safe and enjoyable experience.

Instruction...

Our camps will include instruction on warming up properly, throwing, hitting, catching, infield, and outfield. We will also cover game situations. We want our campers to have a great time but we also want them to leave a better baseball player.

Science based instruction...

At Diamond Dreams we utilize the principles of RightView Pro, the National Pitching Association and Driveline Baseball to make sure your son gets the most up to date, science based instruction.

Camp locations...

There is one camp held off-site at Upper Providence Little League. The other camps are held indoors at Diamond Dreams.

For directions, please check out our website at DiamondDreamsBA.com.
